Theme of our table

Motivation & Goals

~~Spreading crew~~

1) spreading new crews
+

Support for new crews

2) have more members in movement

3) first | movement | political
| pirate | party → | Piratenparty |

but: programme/website/statutes should
be ready before we focus on politics again

changing name? drop the "party"?

4) involve people on the process

⇒ people are lost in our process now

⇒ make our process transparent

5) good website

Action plan method & calendar

1) STRUCTURE

- > loads of new members, no structure to put them in
- > new crews + support work autonomous + decentralised
 - > core team coordinates + gathers information + decentralise

2) MESSAGE

- don't forget core business
- broaden message: basic income - labour market
 - sustainability

3) STRATEGY

- : get people to use getOp. > expertise + voting
- : Good website - solid program
- : Actions: be out on the streets
- : pirates instead of media warhorses > take news instead of following
- : we're rebels, not

first 2 years:

- > build movement
- > build structures
- > finish website - program

last 1,5 year:

- > focus on political wing and the elections > campaign
